Terrain: Night Orienteering:
Coniferous forest with good runnability in most places and mostly good visibility. Part of the area is open with meadows. There are a moderate amount of paths and roads, forest floor is mainly grass.

Sprint:
Competition area is situated in the area of the Slovakian village museum and the surrounding coniferous forests and open areas with a large amount of manmade and natural features. Terrain has mostly good visibility and is clear, good conditions for a fast race. There aren't many concrete roads so we do not recommend road running shoes.

Maps: Night orienteering: ISOM 2000, scale 1:10 000, size of maps TBD.
Last revision: summer 2012, author: Peter Ďurčo.
Map bags will be available at the start.

Sprint: ISSOM 2007, scale 1:4 000, size of maps TBD.
Last revision: summer 2012, author: Milan Petrínek.
